Hello Ozark ASC,

Matt L., who has been our Webmaster for the last 6 years asked to step down in June. PR subcommittee voted in Cody D. as Webmaster at the July subcommittee meeting. ~~Cody~~ ^{Matt} had already been mentoring Cody on the Website due to Cody taking on the Basic Meeting List Toolbox for the Show Me Region website. Cody has completely updated our Area's meetings on the Region website and is working hard on getting our Area's website switched from iPower (our current provider) to Digital Ocean, which is our Region's provider. It's a process.

I have been working closely with our Regional PR Chair on switching our Area Helpline provider (Freedom Voice) to the Region's provider. Also a process.

We have created a QR code that links to our Area website. The QR code will be used on meeting schedules & newsletters. The QR code can also be used for future PR flyers & professional correspondence.

I am passing around a Home Group Contact List. This should be a contact person that a Helpline Volunteer in the event a caller needs assistance with finding a meeting location.

Grateful in service,

Deborah
PR Chair

P.S. ~~Go~~ Please proof read all flyers, they are uploaded onto our website and needs to have the correct info.

Greetings Ozark Area
