

Guidelines of the Ozark Area Service Committee of Narcotics Anonymous

Updated Version February 2025

The following comes from the Guide to Local Service in Narcotics Anonymous:

The Area Service Committee – Introduction

“Workhorse” of the service structure—maybe that’s the best way to describe the area service committee. Most of the hands-on work of delivering NA services to the groups and the community occurs at the area level. NA groups support meetings where addicts can share their recovery with one another. Only minimal organization is necessary to hold those meetings. But there are lots more that can be done to further the aims of Narcotics Anonymous: NA panel presentations at addiction treatment centers and correctional facilities can reach addicts particularly in need of what we have to offer. Public Information presentations to schools and community groups, mailings to addiction treatment professionals, meeting notices in newspapers, and public service announcements on local radio and television stations can help direct people to NA. Directories showing where and when NA groups in the area hold their recovery meetings can help addicts and others find nearby meetings being conducted at times convenient to them. A phone line service can help addicts seeking recovery find a meeting in their area. It can also provide information about NA to interested community members. A ready supply of NA books and pamphlets can make it easier for groups to stock their literature tables. Social activities can help addicts feel more comfortable in their local NA community and increase unity and camaraderie among area members.

All of these services require a certain degree of organization, the complexity of which could easily divert NA groups from the week-in, week-out task of conducting Narcotics Anonymous meetings for their members. Most of these services also require more money and manpower than any single group could possibly muster. How do groups stay focused on their primary purpose and still see that these other services are developed and maintained? In the words of NA’s Ninth Tradition, they “create service boards or committees directly responsible to those they serve.” And the service committee closest to home, the committee best situated to provide the most direct service to the groups and the community, is the area service committee.

A newly formed area committee will not be able to provide the same level of service as a longer-established committee. That’s only natural. A new area service committee should not expect to hit the ground running at full speed. The development of the full range of area services described in this chapter often takes a few years. Be patient and keep plugging; it’s worth the effort.

Just as individual members of NA rely upon one another for support, so do area committees. New committees in particular can draw upon the experience of their neighbors in charting a course for local services, whether those neighbors are in the next county or the next country. New ASC’s can also draw encouragement from their neighbors’ assurance that, given time, effort, and the application of

principles, “It works.” None of us has to do it alone, not in personal recovery and not in service, not anymore.

The Area Committee and Other NA Services

Area service committees are ultimately responsible to the groups they serve. Narcotics Anonymous groups send group service representatives (GSR’s) to serve on the area committee. While still maintaining final responsibility and authority for area services, they invest enough delegated authority in their GSR’s—and through them in the area committee—for the necessary work to get done.

NA groups also send money to the area committee, money needed to coordinate panels, maintain phone lines, and conduct public information activities. Through their contributions of money and manpower, the groups exercise both their responsibility and the authority for NA services.

How does the area service committee relate in turn to NA’s regional and world services? In much the same way as the group relates to the area committee: through carefully selected representatives who are delegated the authority necessary for effective service.

Area Committee Participants

There are three groups of participants in most area service committees: GSR’s and their alternates, administrative officers, and subcommittee chairpersons. The Seventh Concept for NA Services says that “all members of a service body bear substantial responsibility for that body’s decisions and should be allowed to fully participate in its decision-making processes.” Group service representatives provide a “grass roots” perspective to the area decision-making process, helping ensure that the committee’s feet are planted firmly on the ground. Administrative officers and subcommittee chairpersons also bear substantial responsibility for the fulfillment of area services. Their ongoing growth and experience in carrying out their duties is an invaluable resource to the area as it develops and expresses its group conscience. We ought never to allow a base of valuable experience to be created without utilizing it to the fullest. Each area is responsible for creating its own decision-making plan. In doing so, area committees should carefully consider the Seventh Concept.

OASC Guidelines

Article 1. Name

The name of this committee shall be the Ozark Area Service Committee of Narcotics Anonymous, and shall include the terms Ozark Area Service Committee, OASC, Area Service Committee, and the ACS.

Article 2. Service Area

The service area shall include, but is not limited to, all Narcotics Anonymous Groups within the Ozark Area. The service area of the OASC may roughly be geographically defined as North of the Missouri/Arkansas border; East of the Missouri/Kansas border; South of the United Kansas City Area of N.A.; and West of the Southwest Missouri Area of N.A. Formal Group registration with N.A. World Services is not mandatory for participation within the ASC.

Article 3. Purpose

The purpose of this committee is first and foremost to be of service to the Groups within the Ozark Area and to foster a spirit of unity and communication from group to group. Working together we can further our Primary Purpose and more effectively than we could isolated from each other.

The ASC, through its committee structure, administers and coordinates the activities common to the welfare of N.A. Groups and serves as a link between the Groups and the Show-Me Regional Service Committee of Narcotics Anonymous. The ASC provides a forum for discussion regarding matters of the service structure, education and application of the Twelve Traditions of N.A., and principles, intentions, and messages of recovery as written in the Basic Text of NA, It Works: How and Why, the Twelve Concepts for NA Service, the Guide to Local Services in NA, and other World Service Conference approved literature.

Article 4. Participants

The Ozark Area Service Committee is comprised of Group Service Representatives and their Alternates, Subcommittee Chairs, Administrative Officers (Chair, Vice-Chair, Secretary, Treasurer, Region Committee Member, and RCM Alternate), and any NA member within the Ozark Area with the desire to help fulfill the ASC's stated purpose.

Article 5. Meeting of Members

5.1 Voting Margins: A 2/3 majority is required for passage of permanent resolutions. A simple majority is required for passage of other votes of the ASC (procedural, housekeeping, etc.), unless otherwise stated in these guidelines. In keeping with the principle of unanimity, any member of the ASC can move to require a 2/3 super-majority for passage of a specific motion. If seconded by a GSR, such motion shall be put to a vote by the ASC. A simple majority will be sufficient for implementing this rule. For votes requiring a simple majority the Chair's vote is to be reserved in the case of a tie vote.

5.2 Motions: Any member of Narcotics Anonymous may submit motions for consideration either in person or by written request to the Chair or Secretary. All motions must be seconded by a GSR.

5.3 Qualifications: All members of the ASC vote on any matter that has not been sent back to the groups for a formal GSR vote. GSRs or their Alternates may vote and cast ballots during voting of that branch of the ASC provided that:
