RCM Report to Ozark Asc

Hey y'all,

My apologies for not being in attendance today, I had previous plans to return my granddaughter to North Carolina this weekend, and the ASC schedule change conflicted with the travel dates. Please reach out to Shelby today in my absence.

I ran through the minutes from April RSC and the most recent emails from the Show Me Region to see if there was anything new to report today, and came up clear.

The most pressing matter is the home group votes for open Regional. To date I have received tally's from two home groups.

Please submit your votes to Shelby today or send them to me via email by July 5<sup>th</sup> at: cfinley65@  
bell/south.net

The next Show Me Region Committee meeting is scheduled for July 13<sup>th</sup> & 14<sup>th</sup> at the Capitol Plaza Hotel in Jefferson City, starting at 9:00am

In loving Service,

Colin & Shelby, your friendly neighborhood  
RCM Team 😊

6-23-24

Our Helpline received 6 calls for meeting information with zero transfers to a volunteer.

Our Website, Ozarkasc.com, has been updated with <sup>all</sup> Area flyers and the Show Me Region Unity Campvention 2024 flyer.

~~Our~~ We currently have two NA members reviewing the recorded how to Zoom for the Basic Meeting List Tool that will be used to update meeting changes and additions. If anyone ~~else~~ is interested in this service position, please contact me.

The PR subcommittee is in process of creating/updating a Community Referral List for our Helpline volunteers.

I will be attending the July RCS on July 13th & 14th. Speaking of RCS, our Regional website for Show Me Region of NA is ~~our~~ missourina.org.

Hopefully soon, PR will be able to focus on making information packets for <sup>local</sup> agencies and eventually be able to do presentations on NA. There's so much more to PR, including the ~~good old~~ good old Flyer Day!!

Grateful in Service,

Teresa F.

makes a motion to add the definition of "abstention" to the Voting Procedures to read:

An abstention is any voting member abstaining or removing their vote from the voting body due to lack of information, conflict of interest, or any other non-specific reason.

Final decision for all votes is solely based on yes (pro) or no (con) votes.

Abstention votes are thrown out and do not count. If a majority of votes are abstentions on any vote, the vote will go back for discussion and will either be re-voted on after discussion or it can be tabled (if the body agrees no harm will come by tabling).

Intent: clarification of what abstain means, how it's used and the process of

We can give out apples  
Raw or cooked in sauce or pie,  
Teach preservation methods  
So we will all have a supply.

We can gather seeds to plant,  
Then watch the young trees grow.  
Try to find what works the best  
So all of us can know.

We can plan an orchard  
Come together with our seed,  
Go together in small groups  
Where there is the greatest need.
